October visit to Dalecrete

Captains Barn Farm, Leek Road, Weston Coyney, Stoke-on-Trent, ST3 5BE

Date: Thursday 3rd October 2024

Time: 10:00 am

Spaces are limited, so **please contact our secretary by email to guarantee your place.**

We are planning to split into two groups, one to have a quarry tour with Rob from Dalecrete and the other a talk by Andrew Carp on the planning application for the extension, then swap the groups so everyone does both.
